**DEATH OF COL. FORD.**—We are exceedingly pained to learn that Col. Charles Ford, of this city, departed this life yesterday morning at 10 o'clock. Although wounded in the battle of Chapin Hills, his wounds were not the immediate cause of his death, as a complication of diseases ensued after the battle in which he was wounded. His death is a public calamity.

**GEN. COX'S ARMY.**—Gen. Cox and his army, with Lightburn in the advance, have pushed rapidly up the Kanawha from Charleston, and as yet have met with no serious opposition. They will probably be in Gauley to-morrow, where they will join the army of Major-General M. M. Sherman, who is at a standstill some six miles below Charleston, and Spear's brigade is still at Gallipolis, from which place they have never moved. There is now no doubt that the campaign in Western Virginia is pretty much ended for this fall. It will be impossible to push men over those mountains into East Tennessee, and the project has been abandoned, notwithstanding that this was the most direct route to the relief of East Tennessee, and the fine turnpike roads over the mountains. East Tennessee will have to look to another quarter for deliverance.

**THE POSTAL CURRENCY.**—There is a greater scarcity of small change in Cincinnati than in this city. At a meeting of the City Council of Cincinnati on Tuesday, Mr. Carson, the Collector of the post, was present, and by request made a statement of his transactions with reference to the postal currency, from which it appears that New York manages to get the lion's share of the "small change." About one-fourth of the issue, he says goes to the New England States—primarily to this city. **MARKS DESTROYED REPORTED ON OCTOBER.**—There were 33 American shipping vessels reported during last month as totally lost or missing, viz: 1 steamer, 11 brig, 1 bark, 1 brig, 1 schooner, and two ships. Of these 7 were wrecked, 18 burned, 4 abandoned, 4 foundered, 1 run down, and 2 missing. Loss and harbor craft and partially damaged vessels not included. The large number of vessels destroyed by fire is due to the fact that operations of the steamer Atlanta, 14 out of 14, is having been lost by fire that craft. The value of the above domestic craft (exclusive of cargoes) is estimated \$660,000.

**THE MONTGOMERY (ALB.) ADVERTISER.**  
Montgomery, George N. Sanders a bunrager, and says the idea that he was sent as a Confederate agent to England is ridiculous.

**FINANCIAL LETTER FROM SECRETARY CHASE.**  
The following recent letter from the Secretary of the Treasury is addressed to the President of one of the Boston banks:

**DEAR SIR:** I am much surprised by the statement you have been made by one of your agents to know that the Treasury is about to refuse payment of the 5 percent and 10 percent Treasury notes, in any thing but gold.
